

EXHIBIT A
BYLAWS

NORTHPORT MARINA

ARTICLE I
ASSOCIATION OF CO-OWNERS

Northport Marina, a marina Condominium Project located in Arenac County, Michigan, shall be administered by an Association of Co-owners which shall be a non-profit corporation, hereinafter called the "Association", organized under the applicable laws of the State of Michigan, and responsible for the management, maintenance, operation and administration of the Common Elements, easements and affairs of the Condominium Project in accordance with the Condominium Documents and the laws of the State of Michigan. These Bylaws shall constitute both the Condominium Bylaws referred to in the Master Deed and required by Section 3(8) of the Act and the Association Bylaws provided for under the Michigan Nonprofit Corporation Act. Each Co-owner shall be entitled to membership and no other person or entity shall be entitled to membership. The share of a Co-owner in the funds and assets of the Association cannot be assigned, pledged or transferred in any manner except as an appurtenance to his Unit. The Association shall keep current copies of the Master Deed, all Amendments to the Master Deed, and other Condominium Documents for the Condominium Project available at reasonable hours to Co-owners, prospective purchasers and prospective mortgagees of Units in the Condominium Project. All Co-owners in the Condominium Project and all persons using or entering upon or acquiring any interest in any Unit therein or the Common Elements thereof shall be subject to the provisions and terms set forth in the aforesaid Condominium Documents.

ARTICLE II
ASSESSMENTS

All expenses arising from the management, administration and operation of the Association in pursuance of its authorizations and responsibilities as set forth in the Condominium Documents and the Act shall be levied by the Association against the Units and the Co-owners thereof in accordance with the following provisions:

Section 1. Assessments or Common Elements. All costs incurred by the Association in satisfaction of any liability arising within, caused by, or connected with the Common Elements or the administration of the Condominium Project shall constitute expenditures affecting the administration of the Project, and all sums received as the proceeds of, or pursuant to, any policy of insurance securing the interest of the Co-owners against Liabilities or losses arising within, caused by, or connected with the Common Elements or the administration of the Condominium Project shall constitute receipts affecting the administration of the Condominium Project, within the meaning of Section 54(4) of the Act.

Section 2. Determination of Assessments. Assessments shall be determined in accordance with the following provisions:

(a) Budget. The Board of Directors of the Association shall establish an annual budget in advance for each fiscal year and such budget shall project all expenses for the forthcoming year which may be required for the proper operation, management and maintenance of the Condominium Project, including a reasonable allowance for contingencies and reserves. An adequate reserve fund for maintenance, repairs and replacement of those Common Elements that must be replaced on a periodic basis shall be established in the budget and must be funded by regular monthly payments as set forth in Section 3 below rather than by special assessments. At a minimum, the reserve fund shall be equal to 10% of the Association's current annual budget on a noncumulative basis. Since the minimum standard required by this Section may prove to be inadequate for this particular project, the Association of Co-owners should carefully analyze the Condominium Project to determine if a greater amount should be set aside, or if additional reserve funds should be established for other purposes from time to time. Upon adoption of an annual budget by the Board of Directors, copies of the budget shall be delivered to each Co-owner and the assessment for said year shall be established based upon said budget, although the delivery of a copy of the budget to each Co-owner shall not affect or in any way diminish the liability of any Co-owner for any existing or future assessments. Should the Board of Directors at any time determine, in the sole discretion of the Board of Directors: (1) that the assessments levied are or may prove to be insufficient to pay the costs of operation and management of the Condominium, (2) to provide replacements of existing Common Elements, (3) to provide additions to the Common Elements not exceeding \$2,500.00 annually for the entire Condominium Project, or (4) in the event of emergencies, the Board of Directors shall have the authority to increase the general assessment or to levy such additional assessment or assessments as it shall deem to be necessary. The Board of Directors also shall have the authority, without Co-owner consent, to levy assessments pursuant to the provisions of Article V, Section 4 hereof. The discretionary authority of the Board of Directors to levy assessments pursuant to this subparagraph shall rest solely with the Board of Directors for the benefit of the Association and the members thereof, and shall not be enforceable by any creditors of the Association or the members thereof.

(b) Special Assessments. Special assessments, in addition to those required in subparagraph (a) above, may be made by the Board of Directors from time to time and approved by the Co-owners as hereinafter provided to meet other needs or requirements of the Association, including, but not limited to: (1) assessments for additions to the Common Elements of a cost exceeding \$2,500.00 for the entire Condominium project per year including assessments for the construction of recreational facilities, (2) assessments to purchase a Unit upon foreclosure of the lien for assessments described in

Section 6 hereof, or (3) assessments for any other appropriate purpose not elsewhere herein described. Special assessments referred to in this subparagraph (b) (but not including those assessments referred to in subparagraph 2(a) above, which shall be levied in the sole discretion of the Board of Directors) shall not be levied without the prior approval of more than 60% of all Co-owners. The authority to levy assessments pursuant to this subparagraph is solely for the benefit of the Association and the members thereof and shall not be enforceable by any creditors of the Association or the members thereof.

Section 3. Apportionment of Assessments and Penalty for Default. Unless otherwise provided herein and in Article IV, Section 3 of the Consolidating Master Deed, all assessments levied against the Co-owners to cover expenses of administration shall be apportioned among and paid by the Co-owners in accordance with the percentage of value allocated to each Unit in Article V of the Consolidating Master Deed, without increase or decrease for the existence of any rights to the use of Limited Common Elements appurtenant to a Unit. Annual assessments as determined in accordance with Article II, Section 2(a) above shall be payable by Co-owners in such installments as the Board of Directors shall determine from time to time, commencing with acceptance of a deed to or a land contract vendee's interest in a Unit, or with the acquisition of fee simple title to a Unit by any other means. Monthly, quarterly, semi-annual or annual installments shall be permissible if so determined by the Board. The payment of an assessment shall be in default if such assessment, or any part thereof, is not paid to the Association in full on or before the due date for such payment. Each assessment in default for 10 or more days shall be assessed a late charge of \$10.00 per month until each assessment is paid in full. The Association may, pursuant to Article XVIII, Section (4) hereof, levy fines for the late payment in addition to such late charges. Each Co-owner (whether 1 or more persons) shall be, and remain, personally liable for the payment of all assessments (including fines for late payment and costs of collection and enforcement of payment) pertinent to his Unit which may be levied while such Co-owner is the owner thereof, except a land contract purchaser from any Co-owner including Developer shall be so personally liable and such land contract seller shall not be personally liable for all such assessment levied up to and including the date upon which such land contract seller actually takes possession of the Unit following extinguishment of all rights of the land contract purchaser in the Unit. Payments on account of installments of assessments in default shall be applied as follows: first, to costs of collection and enforcement of payment, including reasonable attorneys' fees; second, to any interest charges and fines for late payment on such installments; and third to installments in default in order of their due dates.

Section 4. Waiver of Use or Abandonment of Unit. No Co-owner may exempt himself from liability for his contribution toward the expenses of administration by waiver of the use or enjoyment of any of the Common Elements or by the abandonment of his Unit.

Section 5. Enforcement.

(a) Remedies. The Association may enforce collection of delinquent assessments by a suit at law for a money judgment or by foreclosure of the statutory lien that secures payment of assessments. The Association also may discontinue the furnishing of any utilities or other services to a Co-owner in default upon 7 days' written notice to such Co-owner of its intention to do so. A Co-owner in default shall not be entitled to utilize any of the General Common Elements of the Project and shall not be entitled to vote at any meeting of the Association so long as such default continues; provided, however, this provision shall not operate to deprive any Co-owner of ingress or egress to and from his Unit. In a judicial foreclosure action, a receiver may be appointed to collect a reasonable rental for the Unit from the Co-owner thereof or any persons claiming under him. The Association may also assess fines for late payment or non-payment of assessments in accordance with the provisions of Article VIII, Section 4 of these Bylaws. All of these remedies shall be cumulative and not alternative.

(b) Foreclosure Proceedings. Each Co-owner, and every other person who from time to time has any interest in the Project, shall be deemed to have granted to the Association the unqualified right to elect to foreclose the lien securing payment of assessments either by judicial action or by advertisement. The provisions of Michigan law pertaining to foreclosure of mortgages by judicial action and by advertisement, as the same may be amended from time to time, are incorporated herein by reference for the purposes of establishing the alternative procedures to be followed in lien foreclosure actions and the rights and obligations of the parties to such actions. Further, each Co-owner and every other person who from time to time has any interest in the Project, shall be deemed to have authorized and empowered the Association to sell or to cause to be sold the Unit with respect to which the assessment(s) is or are delinquent and to receive, hold and distribute the proceeds of such sale in accordance with the priorities established by applicable law. Each Co-owner of a Unit in the Project acknowledges that at the time of acquiring title to such Unit, he was notified of the provisions of this Section and that he voluntarily, intelligently and knowingly waived notice of any proceedings brought by the Association to foreclose by advertisement the lien for nonpayment of assessments and a hearing on the same prior to the sale of the subject Unit.

(c) Notice of Action. Notwithstanding the foregoing, neither a judicial foreclosure action nor a suit at law for a money judgment shall be commenced, nor shall any notice of foreclosure by advertisement be published, until the expiration of 10 days after mailing, by first class mail, postage prepaid, addressed to the delinquent Co-owner(s) at his or their last known address, of a written notice that 1 or more annual assessments levied against the pertinent Unit is or are delinquent and that the Association may invoke any of its remedies hereunder if the default is not cured

within 10 days after the date of mailing. Such written notice shall be accompanied by a written affidavit of an authorized representative of the Association that sets forth (i) the affiant's capacity to make the affidavit, (ii) the statutory and other authority for the lien, (iii) the amount outstanding (exclusive of interest, costs, attorney fees and future assessments), (iv) the legal description of the subject Unit(s), and (v) the name(s) of the Co-owner(s) of record. Such affidavit shall be recorded in the office of the Register of Deeds in the county in which the Project is located prior to commencement of any foreclosure proceeding, but it need not have been recorded as of the date of mailing as aforesaid. If the delinquency is not cured within the 10-day period, the Association may take such remedial action as may be available to it hereunder or under Michigan law. In the event the Association elects to foreclose the lien by advertisement, the Association shall so notify the delinquent Co-owner and shall inform him that he may request a judicial hearing by bringing suit against the Association.

(d) Expenses of Collection. The expenses incurred in collecting unpaid assessments, including interest, costs, actual attorneys' fees (not limited to statutory fees) and advances for taxes or other liens paid by the Association to protect its lien, shall be chargeable to the Co-owner in default and shall be secured by the lien on his Unit.

Section 6. Liability of Mortgagee. Notwithstanding any other provisions of the Condominium Documents, the holder of any first mortgage covering any Unit in the Project which comes into possession of the Unit pursuant to the remedies provided in the mortgage or by deed (or assignment) in lieu of foreclosure, or any purchaser at a foreclosure sale, shall take the property free of any claims for unpaid assessments or charges against the mortgaged Unit which accrue prior to the time such holder comes into possession of the Unit (except for claims for a pro rata share of such assessments or charges resulting from a pro rata reallocation of such assessments or charges to all Units including the mortgaged Unit).

Section 7. Property Taxes and Special Assessments. All property taxes and special assessments levied by any public taxing authority shall be assessed in accordance with Section 131 of the Act.

Section 8. Personal Property Tax Assessment of Association Property. The Association shall be assessed as the person or entity in possession of any tangible personal property of the Condominium owned or possessed in common by the Co-owners, and personal property taxes based thereon shall be treated as expenses of administration.

Section 9. Mechanic's Lien. A mechanic's lien otherwise arising under Act No. 497 of the Michigan Public Acts of 1980, as amended, shall be subject to Section 132 of the Act.

Section 10. Statement as to Unpaid Assessments. The purchaser of any Unit may request a statement of the Association as to the amount of any

unpaid Association assessments thereon, whether regular or special. Upon written request to the Association accompanied by a copy of the executed purchase agreement pursuant to which the purchaser holds the right to acquire a Unit, the Association shall provide a written statement of such unpaid assessments as may exist or a statement that none exist, which statement shall be binding upon the Association for the period stated therein. Upon the payment of that sum within the period stated, the Association's lien for assessments as to such Unit shall be deemed satisfied; provided, however, that the failure of a purchaser to request such statement at least 5 days prior to the closing of the purchase of such Unit shall render any unpaid assessments and the lien securing same fully enforceable against such purchaser and the Unit itself, to the extent provided by the Act. Under the Act, unpaid assessments constitute a lien upon the Unit and the proceeds of sale thereof prior to all claims except real property taxes and first mortgages of record.

ARTICLE III ARBITRATION

Section 1. Scope and Election. Disputes, claims, or grievances arising out of or relating to the interpretation or the application of the Condominium Documents, or any disputes, claims or grievances arising among or between the Co-owners and the Association, upon the election and written consent of the parties to any such disputes, claims or grievances (which consent shall include an agreement of the parties that the judgment of any circuit court of the State of Michigan may be rendered upon any award pursuant to such arbitration), and upon written notice to the Association, shall be submitted to arbitration and the parties thereto shall accept the arbitrator's decision as final and binding, provided that no question affecting the claim of title of any person to any fee or life estate in real estate is involved. The Commercial Arbitration Rules of the American Arbitration Association as amended and in effect from time to time hereafter shall be applicable to any such arbitration.

Section 2. Judicial Relief. In the absence of the election and written consent of the parties pursuant to Section 1 above, no Co-owner or the Association shall be precluded from petitioning the courts to resolve any such disputes, claims or grievances.

Section 3. Election of Remedies. Such election and written consent by Co-owners or the Association to submit any such dispute, claim or grievance to arbitration shall preclude such parties from litigating such dispute, claim or grievance in the courts.

ARTICLE IV INSURANCE

Section 1. Extent of Coverage. The Association shall carry fire and extended coverage, vandalism and malicious mischief and liability insurance, and workmen's compensation insurance, if applicable, pertinent to the ownership, use and maintenance of the Common Elements and may obtain such

insurance with respect to certain other portions of the Condominium Project, as set forth below, and such insurance, other than title insurance, shall be carried and administered in accordance with the following provisions:

(a) Responsibilities of Co-owners and Association. All such insurance shall be purchased by the Association for the benefit of the Association, and the Co-owners and their mortgagees, as their interests may appear, and provision shall be made for the issuance of certificates of mortgagee endorsements to the mortgagees of Co-owners. The Association may obtain public liability and property damage insurance and other coverages with respect to the Units and Limited Common Elements if available and if it deems it appropriate but shall have no obligation to do so. Each Co-owner may obtain insurance coverage at his own expense upon his Unit. It shall be each Co-owner's responsibility to determine by personal investigation or from his own insurance advisors the nature and extent of insurance coverage adequate to his needs and thereafter to obtain insurance coverage for his personal property and any additional and necessary property, fixtures and equipment located within his Unit or elsewhere on the Condominium and for his personal liability for occurrences within his Unit or upon Limited Common Elements appurtenant to his Unit, and the Association shall have absolutely no responsibility for obtaining such coverages. The Association, as to all policies which it obtains, and all Co-owners, as to all policies which they obtain, shall use their best efforts to see that all property and liability insurance carried by the Association or any Co-owner shall contain appropriate provisions whereby the insurer waives its right of subrogation as to any claims against any Co-owner or the Association.

(b) Insurance of Common Elements and Fixtures. All Common Elements of the Condominium Project shall be insured against fire and other perils covered by a standard extended coverage endorsement, in an amount equal to the current insurable replacement value, excluding foundation and excavation costs, as determined annually by the Board of Directors of the Association in consultation with the Association's insurance carrier and/or its representatives in light of commonly employed methods for the reasonable determination of replacement costs. Such coverage shall be effected upon an agreed amount basis for the entire Condominium Project with appropriate inflation riders in order that no co-insurance provisions shall be invoked by the insurance carrier in a manner that will cause loss payments to be reduced below the actual amount of any loss (except in the unlikely event of total project destruction if the insurance proceeds failed, for some reason, to be equal to the total cost of replacement). All information in the Association's records regarding insurance coverage shall be made available to all Co-owners upon request and reasonable notice during normal business hours so that Co-owners shall be enabled to judge the adequacy of coverage and, upon the taking of due Association procedures, to direct the Board at a properly constituted meeting to change the nature and extent of any applicable coverages, if so determined. Upon such annual

reevaluation and effectuation of coverage, the Association shall notify all Co-owners of the nature and extent of all changes in coverages. Such coverage shall also include all fixtures and equipment within a Unit which were furnished with the Unit as standard items in accord with the plans and specifications thereof as are on file with the Township of Sims (or such replacements thereof as do not exceed the cost of such standard items). It shall be each Co-owner's responsibility to determine the necessity for and to obtain insurance coverage for all other items or attachments within the Unit or any Limited Common Elements appurtenant thereto which were installed in addition to said standard items (or as replacements for such standard items to the extent that replacement cost exceeded the original cost of such standard items) whether installed originally by the Developer or subsequently by the Co-owner, and the Association shall have no responsibility whatsoever for obtaining such coverage unless agreed specifically and separately between the Association and the Co-owner in writing.

(c) Premium Expenses. All premiums upon insurance purchased by the Association pursuant to these Bylaws shall be expenses of administration.

(d) Proceeds of Insurance Policies. Proceeds of all insurance policies owned by the Association shall be received by the Association, held in a separate account and distributed to the Association, and the Co-owners and their mortgagees, as their interests may appear; provided, however, whenever repair or reconstruction of the Condominium shall be required as provided in Article V of these Bylaws, the proceeds of any insurance received by the Association as a result of any loss requiring repair or reconstruction shall be applied for such repair or reconstruction.

Section 2. Authority of Association to Settle Insurance Claims. Each Co-owner, by ownership of a Unit in the Condominium Project, shall be deemed to appoint the Association as his true and lawful attorney-in-fact to act in connection with all matters concerning the maintenance of fire and extended coverage, vandalism and malicious mischief, liability insurance and workmen's compensation insurance, if applicable, pertinent to the Condominium Project, his Unit and the Common Elements appurtenant thereto, with such insurer as may, from time to time, provide such insurance for the Condominium Project. Without limitation on the generality of the foregoing, the Association as said attorney shall have full power and authority to purchase and maintain such insurance, to collect and remit premiums therefor, to collect proceeds and to distribute the same to the Association, the Co-owners and respective mortgagees, as their interests may appear (subject always to the Condominium Documents), to execute releases of liability and to execute all documents and to do all things on behalf of such Co-owner and the Condominium as shall be necessary or convenient to the accomplishment of the foregoing.

ARTICLE V
RECONSTRUCTION OR REPAIR

Section 1. Determination to Reconstruct or Repair. If any part of the Condominium Premises (other than a unit) shall be damaged, the property shall be rebuilt or repaired.

Section 2. Repair in Accordance with Plans and Specifications. Any such reconstruction or repair shall be substantially in accordance with the Master Deed and the plans and specifications for the Project to a condition as comparable as possible to the condition existing prior to damage unless the Co-owners shall unanimously decide otherwise.

Section 3. Co-owner Responsibility for Repair.

(a) Definition of Co-owner Responsibility. If the damage is only to a part of a Unit or Limited Common Element appurtenant thereto, it shall be the responsibility of the Co-owner to repair such damage. In all other cases, the responsibility for reconstruction and repair shall be that of the Association.

(b) Damage to Unit. Each Co-owner shall be responsible for the reconstruction, repair and maintenance of his Unit and any Limited Common Elements appurtenant thereto. If any portion of a Unit is covered by insurance held by the Association for the benefit of the Co-owner, the Co-owner shall be entitled to receive the proceeds of insurance relative thereto, and if there is a mortgagee endorsement, the proceeds shall be payable to the Co-owner and the mortgagee jointly. In the event of substantial damage to or destruction of any Unit or any part of the Common Elements, the Association promptly shall so notify each institutional holder of a first mortgage lien on any of the Units in the Condominium.

Section 4. Association Responsibility for Repair. Except as provided in Section 3 hereof, the Association shall be responsible for the reconstruction, repair and maintenance of the Common Elements. Immediately after a casualty causing damage to property for which the Association has the responsibility of maintenance, repair and reconstruction, the Association shall obtain reliable and detailed estimates of the cost to replace the damaged property in a condition as good as that existing before the damage. If the proceeds of insurance are not sufficient to defray the estimated costs of reconstruction or repair required to be performed by the Association, or if at any time during such reconstruction or repair, or upon completion of such reconstruction or repair, the funds for the payment of the cost thereof are insufficient, assessment shall be made against all Co-owners for the cost of reconstruction or repair of the damaged property in sufficient amounts to provide funds to pay the estimated or actual cost of repair.

Section 5. Timely Reconstruction and Repair. If damage to Common Elements or a Unit adversely affects the appearance of the Project, the Association or Co-owner responsible for the reconstruction, repair and

maintenance thereof shall proceed with replacement of the damaged property without delay, and shall complete such replacement within 6 months after the date of the occurrence which caused damage to the property.

Section 6. Eminent Domain. Section 133 of the Act and the following provisions shall control upon any taking by eminent domain:

(a) Taking of Unit. In the event of any taking of an entire Unit by eminent domain, the award for such taking shall be paid to the Co-owner of such Unit and the mortgagee thereof, as their interests may appear. After acceptance of such award by the Co-owner and his mortgagee, they shall be divested of all interest in the Condominium Project. In the event that any condemnation award shall become payable to any Co-owner whose Unit is not wholly taken by eminent domain, then such award shall be paid by the condemning authority to the Co-owner and his mortgagee, as their interests may appear.

(b) Taking of Common Elements. If there is any taking of any portion of the Condominium other than any Unit, the condemnation proceeds relative to such taking shall be paid to the Co-owners and their mortgagees in proportion to their respective interests in the Common Elements and the affirmative vote of more than 50% of the Co-owners in number and in value shall determine whether to rebuild, repair or replace the portion so taken or to take such other action as they deem appropriate.

(c) Continuation of Condominium After Taking. In the event the Condominium Project continues after taking by eminent domain, then the remaining portion of the Condominium Project shall be resurveyed and the Master Deed amended accordingly, and, if any Unit shall have been taken, then Article V of the Master Deed shall also be amended to reflect such taking and to proportionately readjust the percentages of value of the remaining Co-owners based upon the continuing value of the Condominium of 100%. Such amendment may be effected by an officer of the Association duly authorized by the Board of Directors without the necessity of execution or specific approval thereof by any Co-owner.

(d) Notification of Mortgagees. In the event any Unit in the Condominium, or any portion thereof, or the Common Elements or any portion thereof, is made the subject matter of any condemnation or eminent domain proceeding or is otherwise sought to be acquired by a condemning authority, the Association promptly shall so notify each institutional holder of a first mortgage lien on any of the Units in the Condominium.

Section 7. Priority of Mortgagee Interests. Nothing contained in the Condominium Documents shall be construed to give a Condominium Unit Owner, or any other party, priority over any rights of first mortgagees of Condominium Units pursuant to their mortgages in the case of a distribution to

Condominium Unit Owners of insurance proceeds or condemnation awards for losses to or a taking of Condominium Units and/or Common Elements.

ARTICLE VI
RESTRICTIONS

All of the Units in the Condominium shall be held, used and enjoyed subject to the following limitations and restrictions:

Section 1. Use and Occupancy.

(a) No Unit or boat slip in the Condominium shall be used for any purpose other than the placement, parking or mooring of a single watercraft and the Common Elements shall be used only for purposes consistent with the use of a private marina facility. No permanent structures or buildings for habitation purposes shall be installed within any Unit or its appurtenant Limited Common Elements and no structures or buildings of any sort shall be placed thereon without written approval of the Association as elsewhere herein provided.

Section 2. Leasing and Rental.

(a) Right to Lease. A Co-owner may lease his Unit for the same purposes set forth in Section 1 of this Article VI; provided that written disclosure of such lease transaction is submitted to the Board of Directors of the Association in the manner specified in subsection (b) below. With the exception of a lender in possession of a Unit following a default of a first mortgage, foreclosure or deed or other arrangement in lieu of foreclosure, no Co-owner shall lease less than an entire Unit in the Condominium. The terms of all leases occupancy agreements and occupancy arrangements shall incorporate, or be deemed to incorporate, all of the provisions of the Condominium Documents.

(b) Leasing Procedures. The leasing of Units in the Project shall conform to the following provisions:

(1) A Co-owner desiring to rent or lease a Unit, shall disclose that fact in writing to the Association at least 10 days before presenting a lease form to a potential lessee of the Unit and, at the same time, shall supply the Association with a copy of the exact lease form for its review for its compliance with the Condominium Documents. In lieu thereof, a Co-owner may use a form provided by the Association. If Developer desires to rent Units before the Transitional Control Date, it shall notify either the Advisory Committee or each Co-owner in writing.

(2) Tenants or nonco-owner occupants shall comply with all of the conditions of the Condominium Documents of the Condominium Project and all leases and rental agreements shall so state.

(3) If the Association determines that the tenant or nonco-owner occupant has failed to comply with the conditions of the Condominium Documents, the Association shall take the following action:

(i) The Association shall notify the Co-owner by certified mail advising of the alleged violation by the tenant.

(ii) The Co-owner shall have 15 days after receipt of such notice to investigate and correct the alleged breach by the tenant or advise the Association that a violation has not occurred.

(iii) If after 15 days the Association believes that the alleged breach is not cured or may be repeated, it may institute on its behalf or derivatively by the Co-owners on behalf of the Association, if it is under the control of the Developer, an action for eviction against the tenant or nonco-owner occupant and simultaneously for money damages in the same action against the Co-owner and tenant or nonco-owner occupant for breach of the conditions of the Condominium Documents. The relief provided for in this Section may be by summary proceeding. The Association may hold both the tenant and the Co-owner liable for any damages to the Common Elements caused by the Developer or tenant in connection with the Unit or Condominium Project.

(4) When the Co-owner is in arrears to the Association for assessments, the Association may give written notice of the arrearage to a tenant occupying the Unit under a lease or rental agreement and the tenant, after receiving the notice, shall deduct from rental payments due the Co-owner of that Unit the arrearage and future assessments as they fall due and pay them to the Association. The deductions shall not constitute a breach of the rental agreement or lease by the tenant.

Section 3. Alterations and Modifications.

General. No Co-owner shall make alterations, changes or improvements to his Unit or make changes in any of the Common Elements, Limited or General, without the express written approval of the Board of Directors, including without limitation the erection of antennas, lights, aerials, awnings, storage buildings or other modifications. The Board of Directors may approve only such modifications as do not impair the soundness, safety, utility or appearance of the Condominium. Express written approval herein shall be given only after due consideration of a proposed plan by the Association Directors and an affirmative approval thereof reflected in duly adopted minutes or resolutions. This provision shall apply with like force to other portions of the Condominium Documents requiring written approval including, without limitation, Article VI, Section 1 of these restrictions. No Co-owner shall in any way restrict access to any plumbing, water line, water line valves, water meter, electrical pedestal or lines, sewer lines or any utilities whatsoever or any other element that must be accessible to service the Common Elements or

any element which affects an Association responsibility in any way. Should access to any facilities of any sort be required, the Association may remove any objects of any nature that restrict such access and will have no responsibility for repairing, replacing or reinstalling any materials, whether or not installation thereof has been approved hereunder, that are damaged in the course of gaining such access, nor shall the Association be responsible for monetary damages of any sort arising out of actions taken to gain necessary access. No structures of any sort shall be placed within a Unit without approval of the Association.

Section 4. Activities. No immoral, improper, unlawful or offensive activity shall be carried on in any Unit or upon the Common Elements, Limited or General, nor shall anything be done which may be or become an annoyance or a nuisance to the Co-owners of the Condominium. No unreasonably noisy activity shall occur in or on the Common Elements or in any Unit at any time and disputes among Co-owners, arising as a result of this provision which cannot be amicably resolved, shall be resolved by the Association. No Co-owner shall do or permit anything to be done or keep or permit to be kept in his Unit or on the Common Elements anything that will increase the rate of insurance on the Condominium without the written approval of the Association, and each Co-owner shall pay to the Association the increased cost of insurance premiums resulting from any such activity or the maintenance of any such condition even if approved. Activities which are deemed offensive and are expressly prohibited include, but are not limited to, the following: any activities involving the use of firearms, air rifles, pellet guns, B-B guns, bows and arrows, or other similar dangerous weapons, projectiles or devices.

Section 5. Pets. No animals, including household pets, shall be maintained by any Co-owner unless specifically approved in writing by the Association. Visitors and guests (other than the immediate family of a Co-owner) shall not be permitted to bring any animals, including household pets, upon the Premises. The Association may hold both the visitors, guests and the pertinent Co-owner liable for any damages to the Common Elements or to persons caused by the failure of a visitor or guest to comply with this restriction. No animal may be kept or bred for any commercial purpose and shall have such care and restraint so as not to be obnoxious or offensive on account of noise, odor or unsanitary conditions. No animal may be permitted to run loose at any time upon the Common Elements and any animal shall at all times be leashed and attended by some responsible person while on the Common Elements, Limited or General. Any Co-owner who causes any animal to be brought or kept upon the premises of the Condominium shall indemnify and hold harmless the Association for any loss, damage or liability which the Association may sustain as the result of the presence of such animal on the premises, whether or not the Association has given its permission therefor. Each Co-owner shall be responsible for collection and disposition of all fecal matter deposited by any pet maintained by such Co-owner. No dog which barks and can be heard on any frequent or continuing basis shall be kept in any Unit or on the Common Elements. The Association may charge all Co-owners maintaining animals a reasonable additional assessment to be collected in the manner provided in Article II of these Bylaws in the event that the Association determines such assessment necessary to defray the maintenance

cost to the Association of accommodating animals within the Condominium. The Association may, without liability to the owner thereof, remove or cause to be removed any animal from the Condominium which it determines to be in violation of the restrictions imposed by this Section. The Association shall have the right to require that any pets be registered with it and may adopt such additional reasonable rules and regulations with respect to animals as it may deem proper. In the event of any violation of this Section, the Board of Directors of the Association may assess fines for such violation in accordance with these Bylaws and in accordance with duly adopted Rules and Regulations.

Section 6. Aesthetics. The Common Elements, Limited or General, shall not be used for storage of supplies, materials, personal property or trash or refuse of any kind, except as provided in duly adopted rules and regulations of the Association. Trash receptacles shall be maintained in areas designated therefor at all times and shall not be permitted to remain elsewhere on the Common Elements except for such short periods of time as may be reasonably necessary to permit periodic collection of trash. The Common Elements shall not be used in any way for the drying, shaking or airing of clothing or other fabrics. In general, no activity shall be carried on nor condition maintained by a Co-owner, either in his Unit or upon the Common Elements, which is detrimental to the appearance of the Condominium.

Section 7. Vehicles.

(a) No house trailers, commercial vehicles, boat trailers, boats, camping vehicles, camping trailers, motorcycles, all terrain vehicles, snowmobiles, snowmobile trailers or vehicles, other than automobiles or vehicles used primarily for general personal transportation use, may be parked or stored upon the Premises of the Condominium, unless in an area which may be specifically designated therefor by the Association. Commercial vehicles and trucks shall not be parked in or about the Condominium (except as above provided) unless while making deliveries or pickups in the normal course of business. Use of motorized vehicles anywhere on the Condominium Premises, other than passenger cars, authorized maintenance vehicles and commercial vehicles as provided in this Section 7, is absolutely prohibited. Parking on any road in the Condominium is prohibited. A Co-owner may not have more than two cars parked in the Project unless approved in writing in advance by the Association. If the Association deems it necessary to alleviate any parking shortage, it may construct additional parking facilities and assess those Co-owners maintaining more than 2 cars for the expense of such construction and use. Co-owners shall, if the Association shall require, register with the Association all cars maintained on the Condominium Premises. The Association shall have the right to establish rules for the operation of vehicles on the Premises, including speed limits, which rules shall be strictly enforced. All visitors to a Unit shall park their vehicles in the area as designated by the Association.

(b) Co-owners of Units 1 through 34 of Channel J on the attached Condominium Subdivision Plan have been designated two parking places within the description above described and these parking spaces shall be for the exclusive use of the Co-owners as designated.

Section 8. Advertising. No signs or other advertising devices of any kind shall be displayed which are visible from the exterior of a Unit or on the Common Elements, including "For Sale" signs, without written permission from the Association.

Section 9. Rules and Regulations. It is intended that the Board of Directors of the Association may make rules and regulations from time to time to reflect the needs and desires of the majority of the Co-owners in the Condominium. Reasonable regulations consistent with the Act, the Consolidating Master Deed and these Bylaws concerning the use of the Common Elements may be made and amended from time to time by any Board of Directors of the Association. All copies of such rules, regulations and amendments thereto shall be furnished to all Co-owners.

Section 10. Right of Access of Association. The Association or its duly authorized agents shall have access to each Unit and any Limited Common Elements appurtenant thereto from time to time, during reasonable working hours, upon notice to the Co-owner thereof, as may be necessary for the maintenance, repair or replacement of any of the Common Elements. The Association or its agents shall also have access to each Unit and any Limited Common Elements appurtenant thereto at all times without notice as may be necessary to make emergency repairs to prevent damage to the Common Elements or to another Unit. It shall be the responsibility of each Co-owner to provide the Association means of access to his Unit and any Limited Common Elements appurtenant thereto during all periods of absence, and in the event of the failure of such Co-owner to provide means of access, the Association may gain access in such manner as may be reasonable under the circumstances and shall not be liable to such Co-owner for any necessary damage to his Unit and any Limited Common Elements appurtenant thereto caused thereby or for repair or replacement of any doors or windows damaged in gaining such access.

Section 11. Landscaping. No Co-owner shall perform any landscaping or plant any trees, shrubs or flowers or place any ornamental materials upon the Common Elements without the prior written approval of the Association.

Section 12. Common Element Maintenance. Sidewalks, yards, landscaped areas, driveways, roads, parking areas, docks and piers shall not be obstructed nor shall they be used for purposes other than for which they are reasonably and obviously intended. No bicycles, vehicles, chairs or other obstructions may be left unattended on or about the Common Elements. Use of any recreational facilities in the Condominium may be limited to such times and in such manner as the Association shall determine by duly adopted rules and regulations.

Section 13. Co-owner Maintenance. Each Co-owner shall maintain his Unit and any Limited Common Elements appurtenant thereto for which he has maintenance responsibility in a safe, clean and sanitary condition. Each Co-owner shall also use due care to avoid damaging any of the Common Elements including, but not limited to, the telephone, water, gas, plumbing, electrical or other utility conduits and systems and any other elements in any Unit which are appurtenant to or which may affect any other Unit. Each Co-owner shall be responsible for damages or costs to the Association resulting from negligent damage to or misuse of any of the Common Elements by him, or his family, guests, agents or invitees, unless such damages or costs are covered by insurance carried by the Association (in which case there shall be no such responsibility, unless reimbursement to the Association is excluded by virtue of a deductible provision, in which case the responsible Co-owner shall bear the expense to the extent of the deductible amount). Any costs or damages to the Association may be assessed to and collected from the responsible Co-owner in the manner provided in Article II hereof.

Section 14. The Declaration of Covenants. The Declaration of Easements and Agreement for Maintenance for Northport Marina as defined in Article III of the Master Deed is incorporated herein by reference and shall be binding upon all Co-owners and the Association to the extent applicable to the Condominium Project. In accordance with such Declaration, each Co-owner in Northport Marina shall abide by the provisions relative to such membership as contained in said Declaration.

ARTICLE VII MORTGAGES

Section 1. Notice to Association. Any Co-owner who mortgages his Unit shall notify the Association of the name and address of the mortgagee, and the Association shall maintain such information in a book entitled "Mortgages of Units". The Association may, at the written request of a mortgagee of any such Unit, report any unpaid assessments due from the Co-owner of such Unit. The Association shall give to the holder of any first mortgage covering any Unit in the Project written notification of any default in the performance of the obligations of the Co-owner of such Unit that is not cured within 60 days.

Section 2. Insurance. The Association shall notify each mortgagee appearing in said book of the name of each company insuring the Condominium against fire, perils covered by extended coverage, and vandalism and malicious mischief and the amounts of such coverage.

Section 3. Notification of Meetings. Upon request submitted to the Association, any institutional holder of a first mortgage lien on any Unit in the Condominium shall be entitled to receive written notification of every meeting of the members of the Association and to designate a representative to attend such meeting.

ARTICLE VIII
VOTING

Section 1. Vote. Except as limited in these Bylaws, each Co-owner shall be entitled to one vote for each Condominium Unit owned.

Section 2. Eligibility to Vote. No Co-owner shall be entitled to vote at any meeting of the Association until he has presented evidence of ownership of a Unit in the Condominium Project to the Association. The vote of each Co-owner may be cast only by the individual representative designated by such Co-owner in the notice required in Section 3 of this Article VIII below or by a proxy given by such individual representative.

Section 3. Designation of Voting Representative. Each Co-owner shall file a written notice with the Association designating the individual representative who shall vote at meetings of the Association and receive all notices and other communications from the Association on behalf of such Co-owner. Such notice shall state the name and address of the individual representative designated, the number or numbers of the Condominium Unit or Units owned by the Co-owner, and the name and address of each person, firm, corporation, partnership, association, trust or other entity who is the Co-owner. Such notice shall be signed and dated by the Co-owner. The individual representative designated may be changed by the Co-owner at any time by filing a new notice in the manner herein provided.

Section 4. Quorum. The presence in person or by proxy of 25% of the Co-owners qualified to vote shall constitute a quorum for holding a meeting of the members of the Association, except for voting on questions specifically required by the Condominium Documents to require a greater quorum. The written vote of any person furnished at or prior to any duly called meeting at which meeting said person is not otherwise present in person or by proxy shall be counted in determining the presence of a quorum with respect to the question upon which the vote is cast.

Section 5. Voting. Votes may be cast only in person or by a writing duly signed by the designated voting representative not present at a given meeting in person or by proxy. Proxies and any written votes must be filed with the secretary of the Association at or before the appointed time of each meeting of the members of the Association. Cumulative voting shall not be permitted.

Section 6. Majority. A majority, except where otherwise provided herein, shall consist of more than 50% of those qualified to vote and present in person or by proxy (or written vote, if applicable) at a given meeting of the members of the Association. Whenever provided specifically herein, a majority may be required to exceed the simple majority hereinabove set forth of designated voting representatives present in person or by proxy, or by written vote, if applicable, at a given meeting of the members of the Association.

ARTICLE IX
MEETINGS

Section 1. Place of Meeting. Meetings of the Association shall be held at the principal office of the Association or at such other suitable place convenient to the Co-owners as may be designated by the Board of Directors. Meetings of the Association shall be conducted in accordance with Sturgis' Code of Parliamentary Procedure, Roberts Rules of Order or some other generally recognized manual of parliamentary procedure, when not otherwise in conflict with the Condominium Documents (as defined in the Master Deed) or the laws of the State of Michigan.

Section 2. First Annual Meeting. The First Annual Meeting of members of the Association has been convened.

Section 3. Annual Meetings. Annual meetings of members of the Association shall be held on the last Saturday of September each succeeding year after the year in which the First Annual Meeting is held at such time and place as shall be determined by the Board of Directors; provided, however, that the second annual meeting shall not be held sooner than 8 months after the date of the First Annual Meeting. At such meetings there shall be elected by ballot of the Co-owners a Board of Directors in accordance with the requirements of Article XI of these Bylaws. The Co-owners may also act at annual meetings such other business of the Association as may properly come before them.

Section 4. Special Meetings. It shall be the duty of the President to call a special meeting of the Co-owners as directed by resolution of the Board of Directors or upon a petition signed by 1/3 of the Co-owners presented to the Secretary of the Association. Notice of any special meeting shall state the time and place of such meeting and the purposes thereof. No business shall be transacted at a special meeting except as stated in the notice.

Section 5. Notice of Meetings. It shall be the duty of the Secretary (or other Association officer in the Secretary's absence) to serve a notice of each annual or special meeting, stating the purpose thereof as well as of the time and place where it is to be held, upon each Co-owner of record, at least 10 days but not more than 60 days prior to such meeting. The mailing, postage prepaid, of a notice to the representative of each Co-owner at the address shown in the notice required to be filed with the Association by Article VIII, Section 3 of these Bylaws shall be deemed notice served. Any member may, by written waiver of notice signed by such member, waive such notice, and such waiver, when filed in the records of the Association shall be deemed due notice.

Section 6. Adjournment. If any meeting of Co-owners cannot be held because a quorum is not in attendance, the Co-owners who are present may adjourn the meeting to a time not less than 48 hours from the time the original meeting was called.
